

Staying on top of ASC regulatory compliance is like juggling many different kinds of balls in the air at once...

And sometimes one of those balls might get dropped!

With so much to do in managing your surgery center, wouldn't it be wonderful if you had a partner that kept a finger on the pulse of regulatory compliance and then provided that information to you in a convenient and easy to understand format?

Excellentia Advisory Group is that regulatory compliance consulting partner with expertise in:

- CMS regulations
- HIPAA
- Infection Prevention
- OSHA
- Risk Management
- Quality Reporting
- Quality Assurance / Performance Improvement
- Accreditation through AAAASF, AAAHC or The Joint Commission
- USP 797 Relating to the surgery center

Consulting Methodology

- Webinars
- View Upon Demand Videos
- Membership Plans
- On-Site Mock Surveys/ Audit
- On-Site Training
- Telephonic Consult
- Management Agreements

JUST A MOUSE CLICK-AWAY CONVENIENCE!

ALL VIDEO MEMBERSHIPS

The value of these annual memberships are more than just viewing videos...

- Each video presentation is worth at least 1 to 1 & 1/2 hours Contact Hours of continuing education and presented by experts within the field.
- Each of your clinical staff members can view the video and qualify for the Contact Hour(s) and Certificate of Participation for their HR personnel file. This is an on-going service with back-up files stored at Excellentia in case you need your certificates in a pinch.
- You can view as many times as necessary with as many of your staff as long as they are from the same facility and computer IP address. This membership cannot be shared with other facilities. Contact Hours and Certificates of Participation can be given only to your facility employees.
- You can use this membership to train new employees as long as you have the membership.
- You can use this membership to schedule ongoing monthly in-service training on all areas of surgery center regulatory compliance whether it be:
 - Infection Prevention
 - CMS regulations
 - HIPAA
 - OSHA
 - Risk Management
 - Quality Reporting
 - Quality Assurance / Performance Improvement
 - Accreditation through AAAASF, AAAHC or The Joint Commission
 - Pharmacy and USP797

member™
